Creating Safer Communities 2004 Annual Fund

The Safety Council of Western New England is a nonprofit, tax-exempt organization whose purpose is to educate men, women and children on safe behaviors and practices that help protect their quality of life in the home, school and the work place. Contributions to the Safety Council of Western New England are deductible for federal income tax purposes.

Everyday the Safety Council of Western New England is called upon to respond to a wide range of safety education and training needs throughout Western New England. Through generous gifts made by corporate sponsors, the expertise and time of knowledgeable instructors, provisions of in-kind services and individual gifts made in a loved one’s memory, the Safety Council of Western New England continues to be able to expand upon its important safety work in our communities.

But there is much more we can do to deliver “basic life saving safety education and training”..... thus reducing economic and emotional costs associated with preventable causes. Please help us continue our safety education work in Western New England so together we can create communities that are *focused on prevention and are prepared*. Thank you.

Helping to create safer homes, schools and work places, thanks to you.

Your generosity will help carry out the work of the Safety Council of Western New England, a nonprofit tax-exempt organization whose purpose is to educate men, women and children on safe behaviors and practices that help prevent human suffering and protect quality of life in the home, school and workplace.
